# Same content, three visual directions — slide 01

## A Field manual

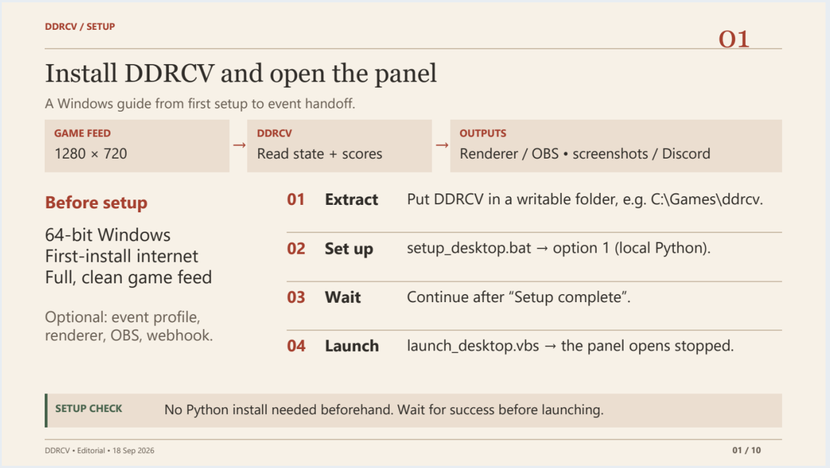

Light, practical, clear hierarchy. Best default for training and reference.

## B Control room

Dark dashboard, cyan cues, persistent step rail. Best for a screen beside the station.

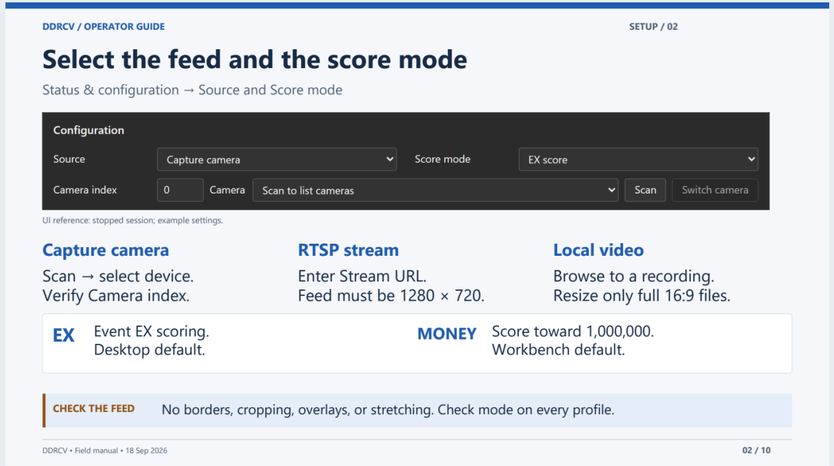

## C Editorial

Warm paper, serif headlines, open columns and fine rules. Best for a guided workshop.

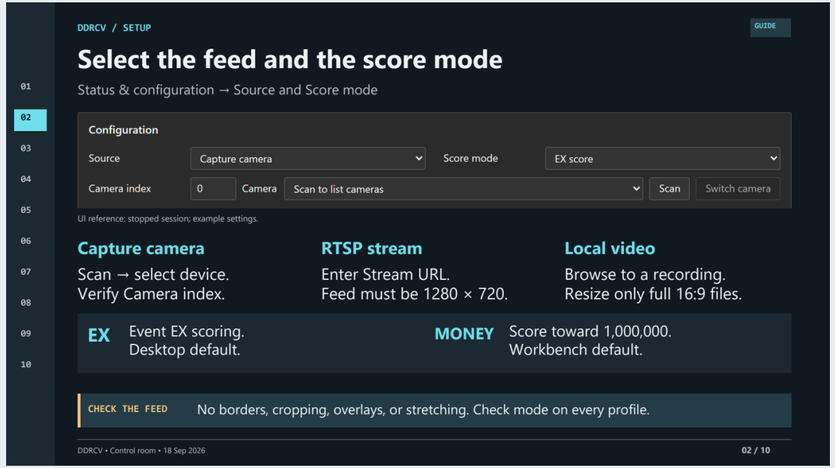

# Same content, three visual directions — slide 02

## A Field manual

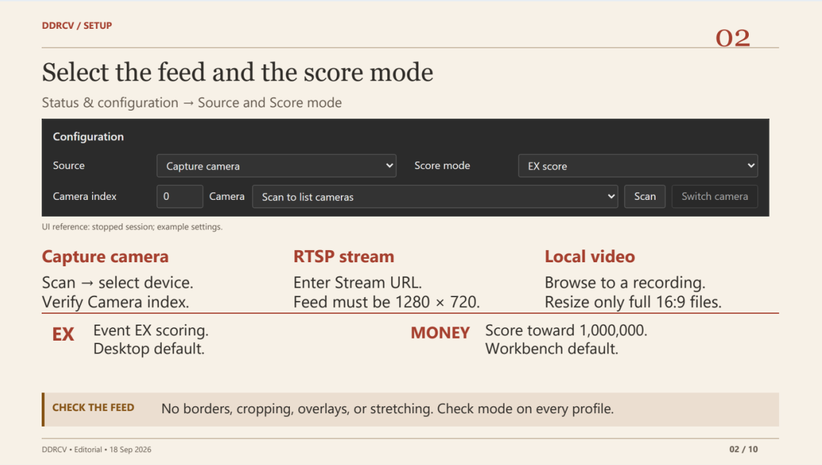

Light, practical, clear hierarchy. Best default for training and reference.

## B Control room

Dark dashboard, cyan cues, persistent step rail. Best for a screen beside the station.

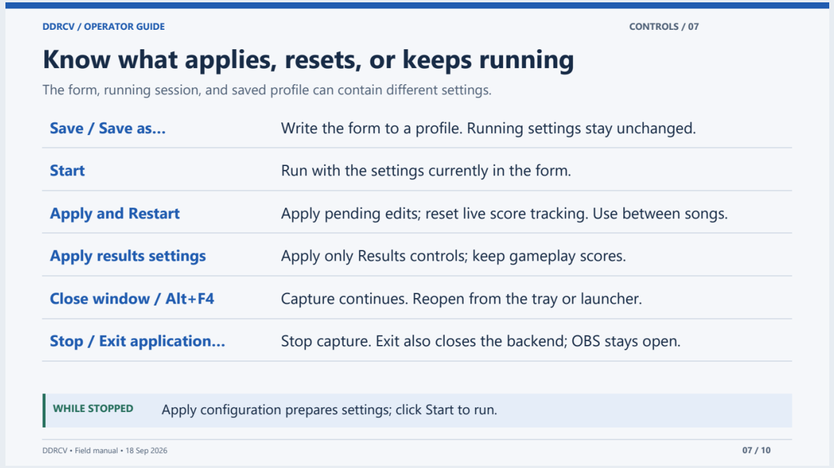

## C Editorial

Warm paper, serif headlines, open columns and fine rules. Best for a guided workshop.

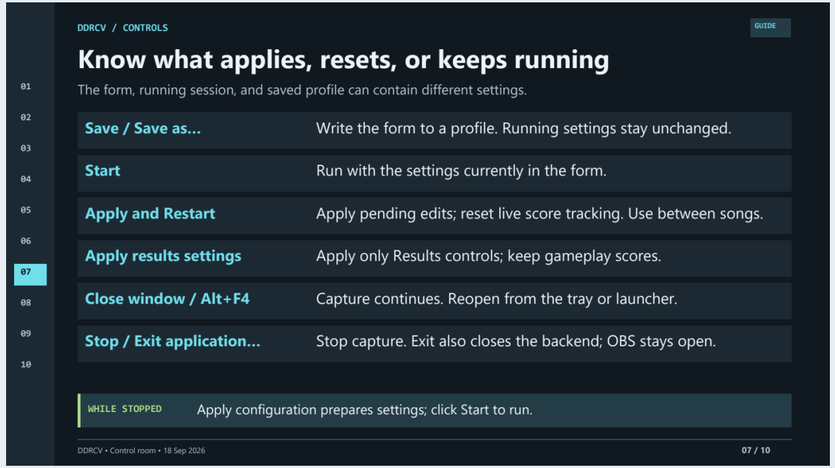

# Same content, three visual directions — slide 07

## A Field manual

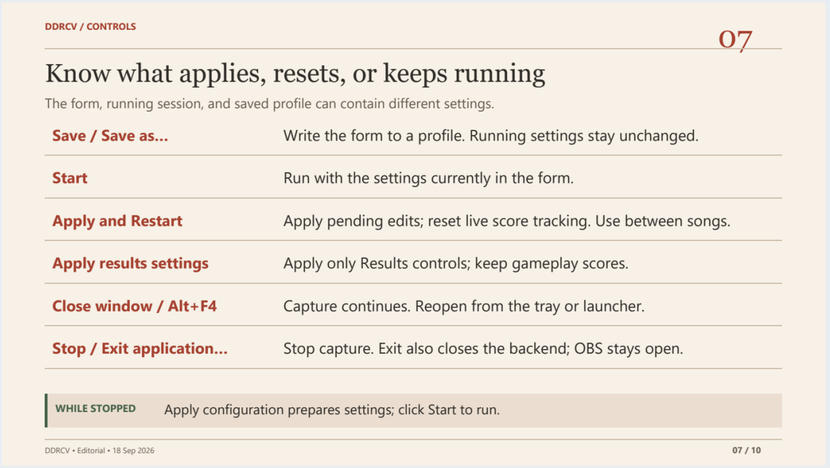

Light, practical, clear hierarchy. Best default for training and reference.

## B Control room

Dark dashboard, cyan cues, persistent step rail. Best for a screen beside the station.

## C Editorial

Warm paper, serif headlines, open columns and fine rules. Best for a guided workshop.
